

Quality Structured VINYL AND WOOD STORAGE SHEDS

Custom-Built for All Types of Storage Purposes

Welcome

This busy life is ever-changing, and it seems to be more so each day. All of us are given exactly the same amount of time, 24 hours in a day, 1,440 minutes, or 86,400 seconds to do all the much-needed things in life. We work, eat, sleep, enjoy life, take time to relax. Consider making wise use of your time by ordering or purchasing a welcome addition to your property – a garage or storage shed.

If you are looking for a well-built, good quality structure, we have many style, size and color options to choose from to meet your needs and wants. *(See our customization options on pages 26-29)* Our structures feature quality construction throughout, and will stand the test of time. *(Learn about our construction specifications on pages 30-31)*

Spend some time browsing through the following pages to choose a structure that is just right for you. Take a much-needed deep breath; relax and enjoy!

Shed on Front Cover:

10'x18' ALPINE (DURATEMP)

shown with optional 6'x9' walls, 8' flat dormer, end vents, 3 picture windows in doors, extra 3' mansion door, and 6" higher double doors

Urethane Chestnut-Black Trim • Black Roof

It was a pleasure working with you again this year. We really appreciate you going above and beyond! We are very thankful to be working with such a quality builder. We also like how you provide great customer service. You are our favorite supplier by far.

*Thanks Again!
Jamie*
